

Cat and kittens

By Emily

My cat is 2049 in cat years. in human years she is 18. She is black and her eye colour is green . She likes sleeping and eating. She eats wet yucky food.

Some kittens are annoying or some are just fine most of them are just fine. Cats get bigger every day. Kittens not so much . I just love any cat. I think cats are amazing. I

Cats and kittens tell me about it . I think they are FUNNY. Not to keen on dogs but cats great.
