## Prince William and Kate Middleton

Prince William was born on 21st June 1982. He was educated at 4 different schools in the UK and obtained a degree from The University Of St Andrews, where he met Kate.

He is second in line to the throne, and he was made the Duke of Cambridge when he got married. The Queen is his Grandmother. I wonder how he felt, not having his Mum there.

Catherine Middleton, Duchess of Cambridge met the man of her dreams and married him recently in a fairytale setting. Everyone tried to catch a glimpse of her beautiful dress. Did you know, Kate done her own wedding make-up? WOW! It looked really professional. Kate Middleton has a big family, who supported her at her wedding.
