

# Harry Potter and the Deathly Hallows Part 1!

By Eloise Cairns

The penultimate Harry Potter came out on the 19th November 2010! 'Harry Potter and the Deathly Hallows Pt 1' was a big hit when it came into the cinemas and thousands and thousands of people queued up from day break to go to the premiers. I personally thought that it was one of the best films yet! I am really looking forward to Part 2 which is coming out in July 2011.

Part 2 is going to be about the big fight in Hogwarts and the final battle of Harry and Voldemort! It has lots of exciting scenes including: Bellatrix Lestrangle's vault, Hogwarts under Snape's power and the Room of Requirement.

Joanne Kathleen Rowling is the famous author of the Harry Potter books and it all started when she started writing in a café with baby girl Jessica.

Born on the 31st July 1965 in Gloucestershire the brilliant author got her ideas from a boy she knew called Harry, a turquoise ford Anglia, and a train that went into London. Her parents were Peter James Rowling and Anne Rowling. Her sister is called Dianna Rowling and was born at home in 28th June 1967. When she was younger Jo used to write fairytales and read them to her sister. J.K.Rowling has finished writing the Harry Potter books now and everyone is very sad! Perhaps we'll have to write our own!
