Best days out!

Fair!

EMMA'S

Last year, there was a fair in Ipswich and I went there with my sister. It was really cool because one of the rides was seriously scary and spun around in the air. I went on that ride and my sister who is 16 was scared!

In November, I went to see Harry Potter and the Deathly Hallows part 1. It was surprisingly AMAZING!

I love Harry Potter, I've read all the books and seen all the movies so far.

My favourite day out was in London. I went to watch Grease in the theatre with my family. I saw my dad ice-climb in Covent Gardens which looked super cool. After I bought an 'I heart London' t-shirt, we headed to Pizza Express which was delicious. I rate this day 10/10.

My favourite days out are at Ipswich Town football games because I support Ipswich Town Football Club.

OLIVER'S!

My best day out was last year, when I went to Kesgrave concert. There was this really cool rollercoaster which I went on about 5 or 6 times! I wish I could go again.

If you go to the office and ask for a Raring2go magazine, they have loads of ideas for days out and birthday parties and money-off tokens! The new addition of the magazine has just come out. Young writers club recommend it.
