

# DISCO!!

By Emma Green.

On Friday 10th December, St Mary's School had 2 discos! One was KS1, one was KS2. It was utterly amazing. I have to thank the fab support group for this (thanks). I also have to thank Marcel and Aunty Fish Face for being extremely funny (weird, but funny). They were the Dj's.

I heard the KS1 disco was cool. They listened to the latest music such as Katy Perry-Firework and Party faves such as Avril Lavinge–Girlfriend. Plus they had snacks, biscuits and juice...

From what I've experienced, this disco was outstanding. My favourite part of it was the fake snow. Freya's was the dancing. I'm looking forward to some more amazing discos!
