Mini Marathon

By Georgia

This is a picture of us lining up for the big day. Before we started we did a warm up. I was very excited too start the day.

This is a picture of us running around the circles. Reception were on the yellow Class 2 and 1 on the green and Class 3 4 5 and 6 on the red. It was very tiring .

There were some adults who checked and marked our bands but had to stop us when we had done our 26th lap. But we got a chance for a drink in the middle. We did one

Did you know?

- A marathon is 26 miles long.
- It got it's name marathon because that's were a battle took place.
- Pheidippides ran from Athens to Sparta to ask for help against the Persians just before the battle of the Marathon [490 BC] .
- It is an Olympic event.
- This race was first run 2,500 years ago.
