

Money day

By Georgia

On Monday the 23rd of May it was “Money Day.” Two people came from Ipswich Building Society called Alexandra and Jess who were going to help. First we played some money games. After that we showed the different kinds of money.

This is a picture of us making our money boxes. Some of them were very pretty and colourful. It Was really fun making them.

This is a picture of us writing our money stories. They were pretty good. They were very long. We had lots of good ideas. They were taken back for customers to read.

If I had all the money in the world I would spend it on sweets, dresses and anything else you could imagine.
