

MEET MR FROLISH

In September 2010, when we all started or continued school, we were joined by our new Head Teacher Mr Frolish. Before Mr Frolish joined the staff of St. Mary's he worked at Beaumont 3 days a week teaching all lessons - his favourite was English. He also spent 2 days in the office which he really enjoyed. At Beaumont Mr Frolish was the Deputy Head. In his spare time he enjoys playing and watching football (he supports Sheffield Wednesday), listening to music (his favourite singer is Johnny Cash), but mostly writing poems. Did you know he has written his own book with his own poems, lesson plans and sheets for teachers?

Mr Frolish chose St. Mary's school because it's local, not too big and crowded and also he wanted a challenge of being a HEAD teacher and we accepted him for the job. After being our head teacher for while we he has described us as REALLY friendly welcoming and great atmosphere. He can't wait to get to know us more.

Meet Mrs Wadsworth

By Freya Dawson

Mrs Wadsworth has recently joined St Mary's staff at the beginning of the Spring term. Mrs Wadsworth decided to become a teacher because her Mum was one and she enjoyed working with young children. When she was younger her favourite subject was drama because she was loved performing. Now her favourite subject is English. She particularly likes stories.

Tanatswa from Oak said, "Mrs Wadsworth is really kind and nice. The class have a fun time."

Tamzin from Oak thinks, "I like Mrs Wadsworth because she smiles all the time!"
