

PERMISSION FORM - SEPTEMBER 2011 - August 2012

Please sign and return the reply slip to the School Office to give your permission for your child to participate in the following activities:

PHOTOGRAPHS AND FILMING

Occasionally your child may be filmed or have his / her photograph taken by the press, a member of staff or a professional photographer (supervised) for publicity purposes or to update our school prospectus or website. You are signing to say that you give permission for your child to be filmed and their photograph to be used.

LOCAL VISITS

During the year your child may have the opportunity to be taken off the school site, with a member of staff, on a local visit - e.g. At Mary's Church, local schools such as Community Primary, Beaumont or Hadleigh High, Hadleigh Fire Station, The Library. These visits take place wholly within the normal school day and are often dependent on fine weather. You will of course be informed of these visits before they take place. In the case of any activity involving a visit further afield, we will of course require separate permission and will write to you in the normal way.

YOUR CHILD AND THE INTERNET

During their time at St Mary's School, your child will have the opportunity to use the Internet and Email. The Internet can provide a vast wealth of information and Email is a rapid method of communicating with other people all over the world. A member of staff will supervise this activity and the children will only have access to filtered material on vetted 'safe' sites.

You are also signing to say that you:

- Understand that if your child uses the Internet at home, these safeguards will not be in place.
- You will talk to your child about the sensible use of the Internet.
- Explain that your child should not give any personal details such as name, address and telephone number when they are using the Internet at home.
