

My holiday

By Georgia

I flew from Manchester to Disney with my cousins. On the first day we went to Epcot. First we went on "Soar in" and then we went on "Test Track". We stayed in a massive villa

The tower of terror. Yes the tower of terror of terror. It told us about some people who got turned into ghosts. It went up and down and it was very freaky.

Me and my mummy went on this Harry Potter but Amber couldn't. The Dementors were very Freaky and I got a Hermionie Wand.

At Animal Kingdom I went on the Yeti Ride and We went on it 6 times and it was brilliant!
