

I went to Hastings for my holiday.

I went to Hastings for my holiday. I went to Hasting and I went to a children club every night there was games room. There was a sweet machine. There was a me to you machine and a car machine and a balls that have toys in and high school children games. Me and Blake Evie and Olivia and my daddy and mummy went. Me and Blake slept together and Evie and Olivia slept together and my mum and dad slept together and my nanny and granddad slept together. I was meant to go swimming but we forgot and there was bingo before children's club. We found a laundry room and once went to the beach and saw a dolphin! We went to blue reef and sea life. I got a toy dolphin.

I went to the beach and there was a pier next to the beach and a Dolphin popped out of the sea. I and daddy were on the same team and my mummy and Blake were on the same team and me and daddy caught 80 crabs and my mum and Blake caught 50 crabs.
