

Our family comes from many homes,  
Our hair is straight,  
Our hair is curled,  
My eyes are blue,  
Our skins are different colours too.  
We are boys and girls,  
We are big and small,  
We are young and old,  
We are short and tall,  
We are everything that we can be and still  
We are family.  
We laugh we cry,  
We work we play,  
We help each other everyday.  
The world is a lovely place to be because we are family!

**Families!**

**Weather!**

Horrible weather,  
staying in bed,

Cuddling up close,

world, weather,  
Warm weather go for  
a swim, weather take  
a walk weather  
picnic, weather.

# POEM PAGE!!

Its Funny how hello is always  
accompanied with goodbye,  
Its Funny how good memories can make you  
start to cry,  
Its Funny forever never seems to last,  
Its Funny how much you'd lose if you forgot  
about the past,  
Its Funny how 'friends' can leave when you  
are down,  
Its Funny how when you need some one they  
never around,  
Its Funny how people change and they think  
you are so much better,  
Its Funny how you forgive but not forget,  
Its Funny how ironic life turns out to be....  
But the funniest part of all is none of that's  
funny to me?

**My Friends**

My friends are funny,  
my friends are kind,  
My friends are there  
if I change my mind,  
My friends are loyal,  
my friends are sweet,  
My friends enjoy a  
sleepover treat!  
My friends are great,  
my friends are cool,  
My friends are the  
best, they totally
