

dogs and puppies

By ky-anna

If you want to find out about dogs and puppies read on. Dogs and puppies can be really nice because when you play with them you can have lots of fun. They wag their tails to let you know they are happy.

Dogs like long walks and they like to play with chew toys. The owner has to feed it and make sure it has water to drink. Some times you need to take it to the vet.

Breeds of dogs:
