

# Netball Match!

Some of Year 5 & 6 have been doing a netball club and yr 6 have been doing netball for P.E.

On Tuesday 29th March 2011 our school's netball team played against Elmsett Primary School. Lots of people came to support both schools as they played 4 games, totalling 24 minutes. The match was supposed to start at 3:00 but was a bit late.

On the first game it was a draw– 3-3.

On the second game the score was 4-5 with St Marys leading!

The third game was great too. The score changed to 5-5.

Tension started through the crowd as the fourth game started. Who would win?

That was soon answered as St Mary's scored and someone shouted "Time!"

The final score was 6-5 with St Mary's winning.

Afterwards everyone was congratulating each other and both teams appreciated the biscuits and juice from Mrs Dowling. Then the team gathered for a photograph . Thank you to Mrs Scahill for training them.

And of course, our lucky ball.
