

# MARCEL THE MAGICIAN

On Friday 10th of December we had a Ellen Jay magician come to our school. He was called Marcel. He and his assistant ,Aunty Fish Face, came and did some cool magic.

I asked some of the pupils at St Mary's what they thought of the magic show. Emma Green said that she liked it when Marcel did a trick with our teacher Mr Girling and Lacey Cook said that he was good. Freya Dawson said that she also liked it when he did a trick on Mr Girling.

These are some of the tricks that Marcel did! He made animal balloons, he got Mr Girling on to the stage and pretended to chop his hand off! Luckily his right hand is still attached and he can wave at us. He made us laugh. Marcel gave all the Year 6s chocolate bars—no wonder we liked him!

## “ The Magicians”.

If you like magic then you will have watched “The Magicians” every Saturday in January on BBC1. They had top magicians on the show such as Barry and Stuart, Chris Corn and Luis De Matos. They got some celebrities to do some amazing tricks.
