

THE BIG WALK

By Emily

Oak and Elm went on a walk we were looking at different homes. We looked at detached and we also looked at semi detached. Maybe there were lots more. We looked at old also new. When we got back we did a graph we didn't No it was maths but it was still maths. We also went a round Hadleigh it was big.

This is a picture of us going on a walk we all ready have started. It wasn't as long as you think. For the walk we had Clipboard's Elm and Oak are a type of tree. Elm is Year two and Oak is Year one. We did a play with them as well.

Fact file:

There are lots of different types of homes.

- Semi detached
- Detached
- Terraced
- Bungalow
- Flats
- Cottage
