

# Fairies

By Ebonie Carter

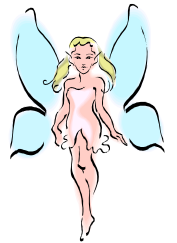

They aren't real creatures they are fantasy. Fairies have wings and they are small. They are magical people like them.

Tinkerbell is a fairy and has friends called Silver mist, Rosia, Lydia and Faun.

The Tooth fairies job is to take your teeth and give you money in return. She wears a purple dress and glittery wings .She lives in a tree. She is 587 years old. Her favorite pop band is "Take Tooth". She also likes Elvis Presley. She lives in a tree.

Did you know there are 327 tooth fairies in the world ? There are also fire fairies and snow fairies.

Two girls once tricked the world by telling everyone they had taken pictures of fairies and told people they were real!

The cousins Elsie Wright age 16 and Frances Griffiths age 10 took there first photos in 1917. They took 5 photos of fairies. It was in 1980 they admitted it was false and they where cardboard cut outs. So they lied.

The first of the five photographs, taken by Elsie Wright in 1917, shows Frances Griffiths with the alleged fairies.
