

Mary's knitting!

By Lacey Cook

KS1 recently performed a play called “Mary’s knitting”. They first performed it to the school who thought they did an extraordinary job! But that was only the beginning. The day after they had to do it to their parents. That evening the children waited nervously backstage but their fears didn't get the better of them. They brought out an outstanding performance and wowed the parents! The next day it was the last day to impress people with their magic. They did another amazing performance. Here are some quotes about Mary’s knitting from Year Six. Freya: Love the costumes. Bailie: love the songs and costume. Eloise:exellent for their age. I would like to say a humongous well done too. Oliver Woods was amazing at playing Joseph and Millie Sands who also did a fantastic job. Well done to everyone who took part.

They take a bow after a fantastic performance.

KS1 singing brilliantly!

The Nativity is a traditional story about a lady called Mary who gets told she will have a special baby. Mary and Joseph travel a long way on a donkey. All the time she is knitting a blanket for the baby. She looks for somewhere to stay to have her baby but ends up in a stable.
